Please copy and use another sheet if you need more spaces.

4. a. How many are in your training program during this reporting period? 12

b. How many people have been trained and/or certified to date from this grant? For the weatherization BMR apprentices, all have either been sent to do conduct assessments and/or conduct air-sealing/weatherization work. 12

(Please complete form below.)

5. Please list complete the list by putting the community to which each individual trained is from, the type of training and certification, the graduation date and who will employ them upon completion of training.

Community where trainee lives	Type of Training/ Service	Type of Certification to be earned/earned	Dates of training	Graduation Date	Employment commitment after training is complete
Eek	Const.	Cold Climate Construction Techniques	June 9-13,2008	June 2009	AVCPRHA Weatherization Program
Mekoryuk	Const.	Cold Climate Const. Tech.	June 9-13,2008	June 13, 2008	AVCPRHA Weatherization Program
Kotlik	Const.	Cold Climate Const. Tech.	June 9-13,2008	June 13, 2008	AVCPRHA Weatherization Program
Bethel	Const.	Cold Climate Const. Tech.	June 9-13,2008	June 13, 2008	AVCPRHA Weatherization Program
Kipnuk	Const.	Cold Climate Home Building	June 30-July 3, 2008	July 3, 2008	AVCPRHA Weatherization Program
Tuntutuliak	Const.	Cold Climate Home Building	June 30-July 3, 2008	July 3, 2008	AVCPRHA Weatherization Program
Hooper Bay	Const.	Cold Climate Home	June 30-July 3, 2008	July 3, 2008	AVCPRHA Weatherization Program

6. Please identify any problems or changes in your training project that will affect the budget, scope or timeline of the project. Is your training on schedule? What are the reasons for any difficulties or delays? Are you over budget/under budget? Have you had to change the initial scope? Weatherization Program changes due to Materials Delays, and Project Delays. These are overcome within Administration decisions to keep projects feasible.

Please provide an explanation to this change and your resolution to the variance.

Weatherization Program is ongoing, expect material order delays, travel delays.

7. How are you or will you be evaluating the individuals being trained to ensure competency, skill level and understanding? (Testing, assessment, etc)
At the end of 4000 hours, BMR apprentices will be given a Building Maintenance Repairer Certificate.

8. Please identify areas that we can assist you in the future. More time and monies to provide training/travel costs for BMR apprentices to travel for training and jobsite. Also include ability for BMR Apprentices to travel out of state for housing authority training including travel, lodging, per diem of BMR Coordinator.
